

santa's musical friend ORNAMENT

Textured "snow" paint gives this Santa a fluffy-looking hat brim and pom-pom. Made from a simple wooden shape and craft foam, you can easily make several of these ornaments for your "music-loving" friends.

FINISHED SIZE: 5¾"×6"

COMPLETION TIME: 1 hour

WHAT YOU'LL NEED

- Wooden items:
 - beehive, 4½";
 - circle (pom-pom), 1½";
 - button plug (nose), ½".
- Beige craft foam, 4½"×6".
- Delta:

 - Acrylic Paints: Fleshtone, Oyster White, Toffee Brown, Moroccan Red, Pigskin, Black, Rouge;
 - Matte Spray Varnish;
 - Decorative Snow™.
- Loew-Cornell®:
 - American Painter Paintbrushes:
 - Wash, Series 4550, ½", 1"; Liner, Series 4350, 10/0; Shader, Series 4300, #4;
 - Fabric Round, Series 1410, #2;
 - Scruffy Brush;
 - DES Double-Ended Stylus.
- Black extra-fine-tip permanent pen.
- Red craft wire, 24-gauge, 8" length.
- Drill with ⅛" bit.

INSTRUCTIONS

Print and cut out pattern. Drill holes where indicated. Sand and wipe dust. Cut materials as indicated. Transfer outlines only to beehive.

Paint: face and nose Fleshtone; beard and fur trim edges Oyster White; hat and bird Moroccan Red; beak Pigskin; face patch Black. Dry brush: cheeks and nose Rouge; mustache and foam and wooden beard Toffee Brown.

Transfer remaining details. Paint mouth Rouge. Thin Black with water; paint musical note lines and outline details. Dot eyes and musical note ends Black. Use scruffy brush to apply textured snow paint to hat band and half of pom-pom. Trace lettering and draw details. Apply varnish.

Glue pom-pom to hat, nose to face, and foam beard to back. For hanger, thread wire through holes; twist ends.
