INSTRUCTIONS

General

Print and cut out patterns.

Snowflake Snowman

Drill holes in body sides. Basecoat body White Wash. Transfer details. Thin Peony Pink with water; use #4 shader to paint cheeks. Use #2 round to paint nose Tangelo Orange. Dot eyes, buttons, and mouth Lamp Black. Thin Baby Blue with water; use liner to paint snowflake. Apply sealer.

Glue twigs into body holes for arms. Tie jute bow around neck. Glue pin back to back.

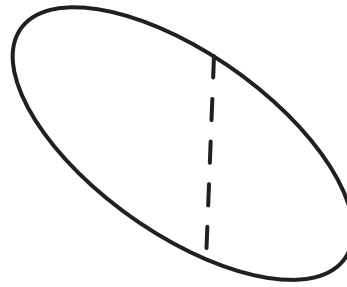

Snow Angel

Use #8 shader to basecoat body and wings White Wash. Tip corner of #8 shader in Baby Blue; highlight body and wings.

winter folks PINS

Paint a pin that fits your time schedule and painting experience. If you're a beginner with limited time, try the basic snowflake snowman (which is also a quick-and-easy design if you need to make large quantities for holiday gifts or favors!) Give the more detailed snow angel a try if you have extra time and some painting experience.

Transfer details. Paint face Hi-Lite Flesh. Thin Peony Pink with water; use #4 shader to paint cheeks and nose. Use #8 shader to paint cape Lavender. Tip corner of #8 shader in Summer Lilac; highlight bottom cape edge. Use #4 shader to paint and shade sleeves in same way as dress. Use liner to paint plaid lines Country Red.

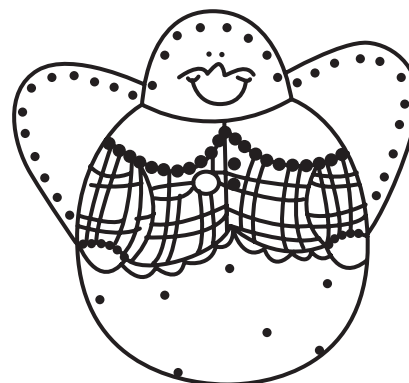

Paint collar Summer Lilac. Thin Summer Lilac with water; paint lace. Paint hands Hi-Lite Flesh. Dot cuffs, collar trim, buttons, and border on wings White Wash. Double-load round with Country Red and White Wash; cluster dot corsage. Paint two leaves Leaf Green. Dot remaining body Baby Blue.

Twist wire into halo; tape to back of angel. Apply glue to tape; press wings in place. Apply sealer. Glue pin back to back.
