you'll need

Surface

- Glass ball ornaments.
- Candleholders of varying heights.

Tools & Supplies

- Indoor/Outdoor Spray Paint (Krylon®): your choice of coordinating colors (Satin Jade, Catalina Mist, Bahama Sea, Blue Ocean Breeze, Silver, Semi-Gloss White shown).
- Indoor/Outdoor Primer (Krylon®): All Purpose White.
- Drop cloth.
- STYROFOAM™ Brand large foam block (Dow).
- Wooden dowel rods.

what to do

Ornaments

1 Insert dowel rods into Styrofoam™ block on a flat surface covered with drop cloth in a well-ventilated area. Ornaments will be placed upside-down on rods for painting, so space them far enough apart so ornaments don't touch and there is enough room to spray paint. 2 Remove metal tops from ornaments. Slide ornaments onto dowel rods. 3 Using primer, spray several light coats covering entire ornament surface. Let dry completely. 4 Spray several light coats of chosen color paint. Let dry completely. 5 Remove ornaments from dowels; replace metal tops. 6 Repeat painting steps with additional ornaments and coordinating paint colors.

Candleholders

1 Place candleholders on drop cloth in work area. 2 Cover all surfaces of candleholders with several light sprayed coats of primer. Let dry completely. 3 Repeat process using Semi-Gloss White paint. Let dry completely.
